

MAPPING THE COURSE: GRANT DEVELOPMENT TRAINING

Thursday, November 3, 2011

6:00pm-9:00pm

Workshop Description:

If you are looking to fund your program or realize your dreams, foundation or government grounds can be the answer.

Learn how to navigate the basics of grant development from design, to research, to writing and submission. You will discover the elements of a grant proposal, and learn the steps to take to make it successful.

Get the road map to reach your destination, and learn what you need to reach your funding goals.
